

Friday 30th July—Sunday 1st August
Warrambui Village Conference Centre

the invitation

The sisterhood continues to grow, and we would love to welcome you to be a part of it! As the third annual retreat kicks off in July 2010, we welcome you to step into the story, be a part of the community, and play your unique role in this growing network of women!

theweekend

The sisterhood has always been about growing a community of women who are united in faith, love and action! This year is no different as we seek to delve into what it means to be a woman of God and be created in His image!

The theme of 'Captivating' is taken from the novel by John & Stasi Eldredge, which will be used as a guide as we look at three core desires of a womans heart...to be romanced, to play an irreplaceable role in a great adventure, and to unveil a beauty.

theteam

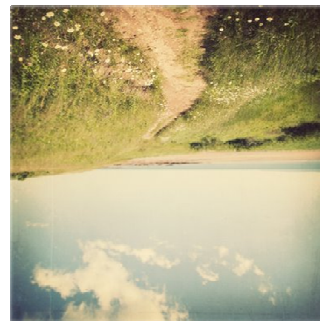

From hospitality to worship, and behind the scenes to presenting, we have a fabulous team walking with us through the weekend! Together, we hope to provide a weekend where we unite as a body of women to glorify our God, rest in His love, and impact our worlds for His glory!
